

**ADDENDUM TO PARISH COUNCIL MINUTES OF THE EXTRAORDINARY MEETING HELD IN THE SCHOOL HALL, FROME VALLEY FIRST SCHOOL ON JULY 5<sup>TH</sup> 2007**

**STATEMENT BY COUNCILLOR VALERIE BACHE REPORTED TO FOLLOW ON PAGE 986**

“My name is Valerie Bache and I was elected as a Parish Councillor in May 2007. A vote was passed whereby I became Chairman of the Amenities Committee. Under my Chairmanship the Pavilion and Sports Field are my responsibility. None of the rumours regarding the Sports Field can be given any credence unless and until proposals for change are placed before the Parish Council. Procedure is then followed and proposals submitted, are discussed, debated and voted upon after consultation with the public. To date no proposal has been submitted to change; close; or in any way prevent the field being used. The Minutes of any public body are put in the public domain and can be read at the Library.

The leaflet displayed all over the Village was totally out of order and caused unnecessary stress to many people and was totally irrelevant.

I realise we are judged collectively at “The Parish Council” but we are, in fact, a group of unpaid volunteers trying to work “for the good of Crossways”. We are a new Parish Council – please give us your support”
