

## Councillor Joyce Rhodes

*It is with deep regret that the Council has learned that Councillor Joyce Rhodes passed away quietly in her sleep at home.*

*Elected as a Councillor in May 2007, Joyce was both Vice-Chairman and Chairman of the Council. As former Dorset Librarian she was in the forefront of the campaign to save and then enhance the services of Crossways Library. She also supported the project to build a Multi Use Games Area and skatebowl for the younger people of the village. She represented the Council on the Management Committee of the Youth Centre. As a representative she also attended many local events including the Dorset Association of Parish & Town Councils. Even though she became a Councillor in her eighties this did not diminish her enthusiasm for serving the community and Crossways owes Joyce a huge debt of gratitude for her care and dedication. She will be very sadly missed from our proceedings and as a support to the whole Council.*
